TITLE: Members of the CEG/CDEM Group and key appointments

ID: A801523

To: Northland CDEM Coordinating Executive Group and Northland CDEM Group Meeting, 1 December 2015

From: Tony Phipps - CEG Chair

Date: 26 November 2015

Introduction:

Feedback has been given by MCDEM in a letter from the Director dated 16 November 2015, suggesting that the Northland CDEM Group Plan 2016-2021 should include the names of people who are members of both the Coordinating Executive Group (CEG) and Civil Defence Emergency Management (CDEM) Group and others who have key appointments.

Discussion:

The Directors Guideline on CDEM Group Planning [DGL 09/15] suggests that the CDEM Group plan should identify CEG and CDEM Group Joint Committee members along with key appointments for Group Controllers, Local Controllers, Recovery Managers and Welfare Managers. The risk of including the names of people who are members or who have key appointments is that they will invariably change over the 5 year period of the plan and will become almost instantly out of date.

A recommendation is that a reference is made in the Northland CDEM Group Plan to the Northland Regional Council website where a list of members (appendix 1) and key appointments (appendix 2) will be made available. It is proposed that this list of members and key appointments is reported to each CEG and Northland CDEM Group Joint Committee meeting to enable the committee to discuss any issues relating to appointments, and for public transparency.

This in effect would ensure that appointments for the Northland region are kept up to date while the Northland CDEM Group Plan is operational (2016-2021).

Recommendations:

1. That the report 'Members of the CEG/CDEM Group and key appointments' from Tony Phipps, CEG Chair, be received.
 2. That a current list of names of Northland CDEM Group Joint Committee, CEG members, Group and Local Controllers and Recovery and Welfare Manager appointments be reported to each CEG and Northland CDEM Group Joint Committee meeting.
