### Background/Tuhinga

Te Rautaki o Te Oneroa-a-Tōhe (the plan) identifies 54 key action items that will assist in achieving the Boards vision, values outcomes and objectives for Te Oneroa-a-Tōhe beach management area. Of these 54 action items, 18 are a priority to be completed in the short term (39% of the action items contained in the plan). A further eight action items have been identified as a priority due to their association with a proposed regional policy statement, regional plan change, or district plan change process update. Although these eight action items are not classified with a short-term delivery time frame, it may be more practicable for councils to fulfil their obligations in relation to these action items by completing them alongside other action items with short term delivery timeframes.

To date, there has been no confirmed budget set aside by either NRC or FNDC to support the delivery of the plan.

With the long-term planning processes of NRC and FNDC currently underway, the Technical Steering Group have reviewed the abovementioned 26 action items. The outcome of this review has been a

draft 10-year financial budget, that will see the completion of all priority action items as well as support for the administration of the board.

**RE: ADEQUATE RESOURCING AND SUPPORT FOR TE ONEROA-A-TŌHE BEACH BOARD**

My name is Lisa McNab, and I am the newly appointed chairperson of Te Oneroa-a-Tōhe Beach Board (the Board). This letter is sent on behalf of the Board.

I write to express concern regarding the lack of resources and support (including insufficient funding and access to appropriately skilled staff) our board has received from the territorial authorities to, amongst other things, ensure the efficient and effective administration of the Board and ultimately to implement and deliver on Te Rautaki o Te Oneroa-a-Tōhe.

As you will be aware, the Board is a statutory co-governance partnership created via the 2015 Te Hiku treaty settlements for the iwi of Te Rarawa, Ngāi Takoto, Te Aupōuri and Ngāti Kuri. Along with iwi representatives, the Board also comprises both local and regional council representatives.

Its primary purpose is to work collectively and collaboratively to provide governance and direction to protect and enhance environmental, economic, social, cultural, and spiritual well-being within the Te Oneroa-a-Tōhe management area now and in the future. The legislative establishment of the board and its role in beach management was a breakthrough for the various parties associated with Te Oneroa a-Tōhe and enabled the full and active participation of the affiliated iwi of Te Hiku o te Ika.

## Te Oneroa-a-Tōhē

In January 2021, the Board approved Te Rautaki o Te Oneroa-a-Tōhe (beach management plan). The plan outlines aspirations for Te Oneroa-Tōhe and includes desired outcomes, objectives, and actions for the board to achieve those aspirations. It also outlines which entity is primarily responsible for delivery of specific action items. It is disheartening to say, that since 2021, there has been very little support provided from the councils to deliver on the aspirations of the rautaki.

As councils, you have both a fiduciary duty and a duty of utmost good faith to help, protect and enhance Te Oneroa-a-Tōhe through appropriate resourcing and staffing of the Board. We cannot achieve our mandated vision without adequate support from both organisations.

I urge you to address these resourcing gaps as a priority through your current long-term planning processes and fulfil your obligations under Te Rautaki o Te Oneroa-a-Tōhe. Our board is happy to work constructively with you to determine appropriate funding and staffing levels. However, the status quo does not meet the plan requirements, and urgent action is needed.

I look forward to your prompt responses on resolving this situation collaboratively, for the benefit of Te Oneroa-a-Tōhe now and into the future.

No reira he mana anō tō te Poari nei kia tiakina tēnei taonga mo te katoa.

Whakapiri whakatata mai kia ora nei te tupuna a Tōhe

Kia pihi ake ngā taringa o te tamaiti ki te karanga o Hinemoana e pāpaki mai ra i te ao, i te po.

Nāku noa, nā

Lisa McNab
