AGREED ACTIONS

- Technical Steering Group Speed (TSG) Limits to be fully adopted and the Board stand by this.
- Monitoring of speed limits is very difficult. People need to be educated and research to be bought together collaboratively to ascertain the issues and priorities so they can be addressed.
- Agricultural Association – code of conduct needs to be passed onto Aquaculture New Zealand and protocol adhered to.
- Staff to look at what Auckland has done with Muriwai Beach model.
- TSG is putting out communication strategy related to speed changes.
- In relation to research TSG task is to research science partners to work alongside Aquaculture New Zealand.
